

NICOLUSSI-LECK

WEINGUT · TENUTA

## **Gewürztraminer „Stephanie“**

Vintage: 2022

Grapes: Gewürztraminer (local grape)

Classification: Südtirol DOC

Planted: 2004

### **Provenance**

Our Gewürztraminer is grown on gravelly loam soil and prophyry bedrock below the ruins of Leuchtenburg Castle, at an altitude of 400 metres, giving this wine its unique character.

### **Vinification and refinement**

The hand harvesting is followed by several hours of maceration and gentle whole-grape pressing. After natural sedimentation and racking, the wine is fermented and matured on fine yeast in stainless steel vats at a controlled temperature, for a period of 9 months. After 6 months of bottle ageing, this wine is ready for sale

### **Description**

This Gewürztraminer is a wine with great complexity and intensive aromas of roses and citrus fruits. Full-bodied and elegant on the palate with fresh acidity.

ABV: 14,3%

Acidity: 5.5 g/L

Residual sugar: 3,5 g/L

Named after my wife Stephanie
